**Jolly Phonics Readers Level 1, Our World
In Precursive Letters***By Sara Wernham*

The Jolly Phonics Readers Level 1 Our World are fully decodable books for new readers. They are the second set of readers within the Our World series that was first launched in 2020 as part of the Jolly Phonics refresh. They have been written with a carefully controlled vocabulary and are specifically designed for students who are learning to read and write with Jolly Phonics.

* The text in these Red Level Books (first level) uses only decodable regular words (words that are made up from the 42 letter sounds taught in the first stage of Jolly Phonics) and a small number of 'tricky' words (frequently used words that are not fully decodable at this stage). * All the tricky words and letter sounds used in this book are shown on the front inside cover. **My First Letter Sounds****In Precursive Letters***By Sara Wernham, Sue Lloyd*

With My First Letter Sounds, children learn all the letter sounds of the English language, not just the alphabet letters. Learning the letter sounds is the first step towards reading and writing. My First Letter Sounds provides an easy introduction to these by: * Learning the sounds that letters make (not their names) - a written pronunciation guide is included in the book, * Learning how to write the letters - arrows on each letter enables children to form it correctly, * Identifying the sounds in words using the pictures in the book and asking children if they can hear the /ssss/ sound in "sun"?
