

Australian GEOGRAPHIC

Science and Geography Book Series' that are centred around the Australian school syllabus for Stages 2 and 3

Science Series includes links for related experiments on the Australian Geographic website, and each of the Geography books integrates with the cross-curriculum priorities of sustainability and Australia's relationship with Aboriginal and Torres Strait Islander cultures

Australian Geographic Science: Earth's Changing Surface
By Australian Geographic
 AUSTRALIAN GEOGRAPHIC
Age Range: Interest age: from c 10 years

The world we live in has not always looked the way it does today. Over time, processes including erosion, ice ages and climate change have greatly altered the Earth's surface.

AUD RRP: \$24.95	ISBN-13: 9781742459578
Due Date: 21/09/2017	Discount: Trade Australian
Format: Hardback	Size: 270 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Science: Adapt to Survive
By Australian Geographic
 AUSTRALIAN GEOGRAPHIC
Age Range: Interest age: from c 9 years

Living things are fantastically adapted to their environments. In order to survive, plants and animals have developed features like the ability to camouflage and mimic, warm coats, and water conservation techniques.

AUD RRP: \$24.95	ISBN-13: 9781925694444
Due Date: 09/01/2018	Discount: Trade Australian
Format: Hardback	Size: 270 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Science: Extreme Weather
By Australian Geographic
 AUSTRALIAN GEOGRAPHIC
Age Range: Interest age: from c 10 years

The surface of our Earth is constantly fluctuating. Extreme weather events and movement of tectonic plates can rapidly create new and different environments.

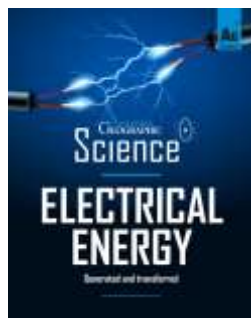

AUD RRP: \$24.95	ISBN-13: 9781742459592
Due Date: 21/09/2017	Discount: Trade Australian
Format: Hardback	Size: 270 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Science: Exerting Forces
By Australian Geographic
 AUSTRALIAN GEOGRAPHIC

Forces are acting on the world we live in and the things we do at all times. In this book, students will learn to identify contact and non-contact forces and discover how they impact the behaviour of objects. They will investigate the effect of the size of a force on speed, friction and attraction and repulsion between magnets.

AUD RRP: \$24.95	ISBN-13: 9781925694420
Due Date: 06/11/2017	Discount: Trade Australian
Format: Hardback	Size: 270 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Science: Electrical Energy

By Australian Geographic
AUSTRALIAN GEOGRAPHIC

Electricity powers our homes and vehicles, heats our water and helps us go about our lives. Humans draw from many natural sources to power turbines and generate electrical energy. In this book, students investigate the sustainability of different energy sources, learn about conductors and insulators, and explore the features of electrical energy.

AUD RRP: \$24.95	ISBN-13: 9781925694437
Due Date: 06/11/2017	Discount: Trade Australian
Format: Hardback	Size: 270 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Geography: Places and Spaces

By Australian Geographic
AUSTRALIAN GEOGRAPHIC
Age Range: Interest age: from c 8 years

a certain area, particular geological landforms or dominant vegetation that exists there. In this book, students explore the influence of particular environments and the resulting industries in these areas. They examine case studies such as the Murray-Darling basin, as well as issues surrounding management and zoning of an area.

AUD RRP: \$24.95	ISBN-13: 9781925694970
Due Date: 09/01/2019	Discount: Trade Australian
Format: Hardback	Size: 272 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Geography: The Importance of the Environment

By Australian Geographic
AUSTRALIAN GEOGRAPHIC
Age Range: Interest age: from c 8 years

You can find many different types of environment around the world, from forest and grassland to savannah and desert. Each of these contains a unique combination of climate and vegetation. In this book, students explore the many roles of vegetation, include producing resources, providing habitat and preventing erosion.

AUD RRP: \$24.95	ISBN-13: 9781925694949
Due Date: 09/01/2019	Discount: Trade Australian
Format: Hardback	Size: 272 X 210
Illustration: Colour Throughout	Pages: 32

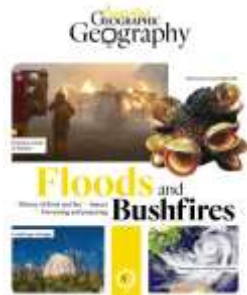

Australian Geographic Geography: Global Connections

By Australian Geographic
AUSTRALIAN GEOGRAPHIC
Age Range: Interest age: from c 8 years

Australia has connections with countries around the globe. As well as trade relationships, Australians travel all over the world and many foreign tourists visit our shores. Australia has a particularly significant connection to countries in the Asia/Pacific region, as these are our nearest neighbours.

AUD RRP: \$24.95	ISBN-13: 9781925695021
Due Date: 21/03/2019	Discount: Trade Australian
Format: Hardback	Size: 272 X 210
Illustration: Colour Throughout	Pages: 32

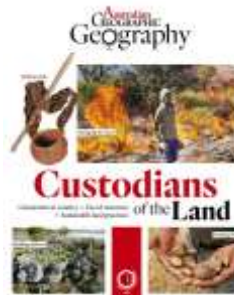

Australian Geographic Geography: Floods & Bushfire

By Australian Geographic
AUSTRALIAN GEOGRAPHIC
Age Range: Interest age:
from c 8 years

Australia is a land of extremes, with floods and bushfires a harsh reality of life. These two extreme weather events have significant impact on both the natural landscapes and communities that are exposed to them. In this book, students will investigate occurrences of bushfire and flood in Australia, the results of such extreme weather.

AUD RRP: \$24.95	ISBN-13: 9781925694956
Due Date: 09/01/2019	Discount: Trade Australian
Format: Hardback	Size: 272 X 210
Illustration: Colour Throughout	Pages: 32

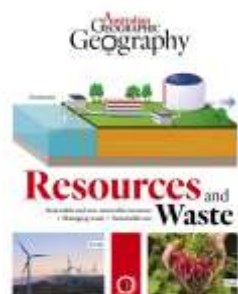

Australian Geographic Geography: Custodians of the Land

By Australian Geographic
AUSTRALIAN GEOGRAPHIC
Age Range: Interest age:
from c 8 years

Aboriginal and Torres Strait Islander (ATSI) people are the first inhabitants of Australia – there were once more than 500 Indigenous 'nations' across the continent. ATSI people have a strong understanding of the land and its animal inhabitants, which they used to decide where to live.

AUD RRP: \$24.95	ISBN-13: 9781925695007
Due Date: 05/02/2019	Discount: Trade Australian
Format: Hardback	Size: 272 X 210
Illustration: Colour Throughout	Pages: 32

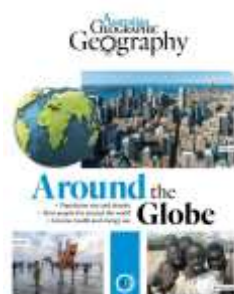

Australian Geographic Geography: Resources and Waste

By Australian Geographic
AUSTRALIAN GEOGRAPHIC
Age Range: Interest age:
from c 8 years

Earth is abundant in natural resources, such as water, food, timber and metal. For the continuing success of life on our planet, we must manage these valuable resources in a sustainable way. In this book, students will learn to identify renewable and non-renewable resources, and discover where they come from and how they are used.

AUD RRP: \$24.95	ISBN-13: 9781925694987
Due Date: 09/01/2019	Discount: Trade Australian
Format: Hardback	Size: 272 X 210
Illustration: Colour Throughout	Pages: 32

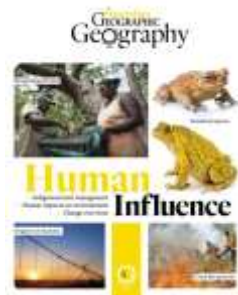

Australian Geographic Geography: Around the Globe

By Australian Geographic
AUSTRALIAN GEOGRAPHIC
Age Range: Interest age:
from c 8 years

Around the globe, people in different nations lead very different lives. In this book, students will compare the population size and density of a number of countries, along with the income, health and energy consumption of the people who live there.

AUD RRP: \$24.95	ISBN-13: 9781925694963
Due Date: 21/03/2019	Discount: Trade Australian
Format: Hardback	Size: 272 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Geography: Human Influence

By Australian Geographic
AUSTRALIAN GEOGRAPHIC
Age Range: Interest age:
from c 8 years

Environments can change over time due to natural effects, such as erosion and storms, but a large proportion of environmental change is a result of human actions like land clearing, development, irrigation and dams. In this book, students will discover how Indigenous Australians manage land and resources to create a sustainable way of living.

AUD RRP: \$24.95	ISBN-13: 9781925695014
Due Date: 05/02/2019	Discount: Trade Australian
Format: Hardback	Size: 272 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Geography: Indigenous Cultures

By Australian Geographic
AUSTRALIAN GEOGRAPHIC
Age Range: Interest age:
from c 8 years

Indigenous culture can be found around the globe, from the many Aboriginal groups present in Australia to the Inuit groups of North America and Masai tribes of Africa. Throughout this book, students will discover the similarities and differences in language, traditions and religion that exist between the world's indigenous groups.

AUD RRP: \$24.95	ISBN-13: 9781925694994
Due Date: 09/01/2019	Discount: Trade Australian
Format: Hardback	Size: 272 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Science: The Life Cycle

By Australian Geographic

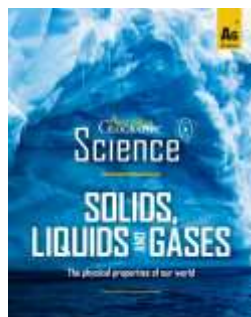

AUSTRALIAN GEOGRAPHIC

Age Range: Interest age:
from c 8 years

Every living thing on our planet experiences a life cycle. From fertilization, to birth, through life and death, plants and animals undergo key stages of development. In this book, students explore the life cycles living things such as of insects, birds, whales and flowering plants and discover the environmental factors that can affect these lifeforms.

AUD RRP: \$24.95	ISBN-13: 9781925694451
Due Date: 09/01/2018	Discount: Trade Australian
Format: Hardback	Size: 270 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Science: Solids, Liquids and Gases

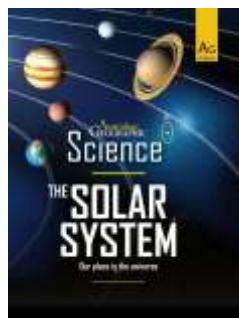

By Australian Geographic

AUSTRALIAN GEOGRAPHIC

Everything around us is matter. Matter exists in three main states – solids, liquids and gases. In this book, students explore the behaviour of different substances and how they change at different temperatures.

AUD RRP: \$24.95	ISBN-13: 9781925694406
Due Date: 06/11/2017	Discount: Trade Australian
Format: Hardback	Size: 270 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Science: The Solar System

By Australian Geographic

AUSTRALIAN GEOGRAPHIC

Age Range: Interest age:
from c 10 years

Our vast solar system is made up of galaxies, stars, planets, moons and much more. Discover Earth's place as one of eight planets in orbit around the sun.

AUD RRP: \$24.95	ISBN-13: 9781742459585
Due Date: 21/09/2017	Discount: Trade Australian
Format: Hardback	Size: 270 X 210
Illustration: Colour Throughout	Pages: 32

Australian Geographic Science: Growth and Survival

By Australian Geographic

AUSTRALIAN GEOGRAPHIC

Age Range: Interest age:
from c 10 years

Life on Earth is found in all types of environments - from rainforests to deserts, grasslands and many more. In this book, students investigate how the different features of these environments, such temperature range, and availability of food, water and shelter impact the growth and survival of living things.

AUD RRP: \$24.95	ISBN-13: 9781925694413
Due Date: 09/01/2018	Discount: Trade Australian
Format: Hardback	Size: 270 X 210
Illustration: Colour Throughout	Pages: 32
