Poems of T. S. Eliot: Vol 1

Collected and Uncollected Poems

By T. S. Eliot, Christopher Ricks

This critical edition of T. S. Eliot's Poems establishes a new text of the Collected Poems 1909-1962, rectifying accidental omissions and errors that have crept in during the century since Eliot's astonishing debut, "The Love Song of J. Alfred Prufrock." As well as the masterpieces, the edition contains the poems of Eliot's youth, which were rediscovered only decades later, others that circulated privately during his lifetime, and love poems from his final years, written for his wife Valerie Eliot. Christopher Ricks and Jim McCue have provided a commentary that illuminates the imaginative life of each poem.
