For The Love of Birds

9781922388308, RRP \$59.99

Georgina Steytler, one of Australia's most gifted wildlife photographers, is passionate about birds and conservation. In this stunning collection of her work over the last decade, her poetic images portray birds as individuals, each with a character of its own, an intelligence and beauty to be admired, a mystery to

be solved, a skill to be envied and each with a unique, and deserved, place in this world. An ethical artist who believes in treading lightly on the earth, she practices and describes the art of low impact photography which doesn't distress wildlife or disturb natural behaviours.

Australia's Best 100 Walks

9781925847697, RRP \$39.95

There are so many incredible walks in Australia but how do you know which are the best ones? Our free time is precious and few people have the time to survey a range of walks – it can years to find a handful of good ones.
