Racing Humpy Holdens
 The 48-215's Golden Decade and Legacy
 With insights from Spencer Martin, Barry Seton and Others

By Joel Wakely

Key Sales Points:

- * Intimate and passionate profile of arguably Australia's most important saloon racing car.
- * Releasing to coincide with the launch of 3 replica racing Humpies, including his.
- * Releasing to coincide with an ABC documentary on the replicas and 48-215 racing.

Joel introduces us to the 48-215, the Humpy, and describes how this modest car, designed for a particular time and place, burst the boundaries of its expectations. He tells the tale of how it became a much-loved road car, for a decade a fearsomely competitive racing car, and ultimately a definitive model Holden that helped define Australian culture and history.

There is a touch of the miraculous about this story: a simple car that broke its boundaries to define a motoring era, and a bunch of mates that built a racing car on a shoestring but through hard work, skill and sheer nerve still reached the pinnacle of their sport.

The Passion for Muscle Cars The Australian Pursuit of Power: 1950-1980

By Joel Wakely

Now in Paperback. Following the success of his bestselling book, the Passion for Holden, Joel Wakely takes a personal look at the golden age of Australian car manufacturing and particularly the passion for the muscle cars that arose in the 1950s and reached its height in the 1970s. Joel looks at the main three manufacturers – Holden, Ford and Chrysler – and the cars they developed for an ever-hungrier market. He examines the racing scene at the time and how the three big manufacturers jostled for position both on the track and in the showrooms of Australia. This eclectic mix of exclusive photography, technical detail, fascinating history and the sheer passion for his subject shows Joel at his best; one moment extolling the merits of a specific muscle car, the next sharing recollections of his racing days at tracks that can now only shimmer and roar in the memory.

With contributions from dozens of ute enthusiasts about their myriad cars plus hundreds of photographs, many never seen in print before, this is a ute book like no other, a book from the heart that goes deep into the passion that utes engender.

The Bestselling Guide to over 30 Walks

By Julie Mundy, Debra Heyes

Best Walks of Best Walks of the Gariwerd-Grampians National Park includes 31 walks in this much-loved park, well-known as a walker's paradise. Each walk specifies the distance, the total ascent and descent (if appropriate), the grade and the estimated duration and is accompanied by an accurate full-colour map. Snippets about the Grampians' history and wildlife add colour and interest to the walking experience. Families will enjoy information regarding child-friendly walks, and how to explore the bush safely with children of all ages. Over 100 full-colour photos complement the text, and provide the reader with a clear sense of the features on each walk. This guide will help walkers discover many of the classic walks in the region, as well as some wild and adventurous tracks that few know exist.
